About us....

1 Stop Lettings opened its doors back in 2011 and since then has grown into the established, friendly agency which you see now. From just a single member of staff, the firm now employs four welcoming and approachable team members.

Over the years, our team has helped numerous students find their new homes, in and around our quaint seaside town. We have loved being a part of some of the best years of their lives and hope to be a part of yours.

Our list is small but mighty, and what we lack in quantity, we provide in quality.
